

1.5.3.4		() 가 ECHA , 2008 6 1

NOTICE: The marked text is currently undergoing a revision and cannot be taken as the basis by companies for preparing to fulfil their obligations under REACH. It is currently being reviewed whether it is legally possible for an only representative to aggregate the tonnages if he represents several “non-Community manufacturers”. ECHA will make every effort to publish an updated version of the guidance before 1 June 2008. Please see the News section of the ECHA web site. Concerned parties are therefore invited to regularly visit this page at www.echa.europa.eu.
